NOTICE OF ASSIGNMENT  
TO MAGISTRATE JUDGE SENT

1 Plaintiff Autodesk, Inc. ("Autodesk") states and alleges as follows for its complaint  
 2 against defendant Hamilton/ITS, Inc. ("Defendant").

3 **JURISDICTION AND VENUE**

4 **Parties**

5 1. Autodesk is a Delaware corporation with its principal place of business in San  
 6 Rafael, California.

7 2. Autodesk is informed and believes and thereon alleges that Defendant is a Georgia  
 8 corporation with its principal place of business in Vidalia, Georgia.

9 **Jurisdiction**

10 3. This case is a civil action arising under the copyright laws of the United States, 17  
 11 U.S.C. § 101, *et seq.* (the "Copyright Act"). This Court has subject matter jurisdiction over  
 12 Autodesk's claims pursuant to 17 U.S.C. § 501, *et seq.* (copyright), 28 U.S.C. § 1331 (federal  
 13 subject matter jurisdiction), and 28 U.S.C. § 1338(a) (copyright actions).

14 4. Autodesk is informed and believes and thereon alleges that Defendant knew, or  
 15 reasonably should have known, that Autodesk: (a) is located in California, and that Defendant  
 16 directed and aimed its unauthorized activities at Autodesk, which is located in the Northern  
 17 District of California; and (b) would likely suffer the brunt of the harm caused by Defendant in  
 18 California at Autodesk's principal place of business. Defendant's activities complained of herein  
 19 caused Autodesk to bear the brunt of the harm in California at its principal place of business in  
 20 San Rafael, California within this District.

21 **Venue**

 23 1400(a).

24 **Intradistrict Assignment**

25 6. Because this matter is an Intellectual Property Action, there is no basis for  
 26 assignment to a particular location or division of the Court pursuant to Civil L.R. 3-2(c).

## **GENERAL ALLEGATIONS**

## Introduction

7. Autodesk is in the business of, and has made and continues to make substantial investments of time, effort, and expense in, designing, developing, testing, manufacturing, publishing, marketing, distributing, and licensing a wide variety of software products recorded on various media, including without limitation optical disks, for use on computers.

8. In connection with Autodesk's software products, Autodesk owns copyrights that are the subject of registrations with the United States Copyright Office.

9. Widespread use of illegal copies of Autodesk's software products (commonly known as software piracy) has caused, and continues to cause, significant harm to Autodesk and undermines Autodesk's investments in its products.

10. Autodesk brings this action as a result of Defendant's unauthorized reproduction and use of certain of Autodesk's software products. Defendant's actions and omissions complained of herein were and continue to be undertaken willfully, intentionally, and maliciously and have caused and continue to cause substantial damage to Autodesk.

11. Autodesk respectfully requests that the Court enter an injunction against Defendant and award Autodesk damages, costs, and attorney's fees as allowed by statute.

## **Autodesk's Software Products and Copyrights**

12. Autodesk's software products include computer aided design and other design programs, such as Autodesk® Mechanical Desktop® 6 software, AutoCAD® Mechanical 2006 software, AutoCAD® Electrical 2006 software, and Autodesk® Inventor® Series 10 software. These products along with their reference materials are hereinafter collectively referred to as the "Autodesk Products."

13. The Autodesk Products contain a large amount of material that is wholly original with Autodesk and is copyrightable subject matter under the laws of the United States. At all times herein relevant, Autodesk complied in all respects with the Copyright Act and secured the exclusive rights and privileges in and to the copyrights in the Autodesk Products (collectively the "Autodesk Copyrights").

1        14. Each of the Autodesk Products is an original work, copyrightable under the  
2 Copyright Act, and has been timely registered in full compliance with the Copyright Act.  
3 Autodesk has received a Certificate of Registration from the Register of Copyrights for each of  
4 the Autodesk Products, copies of which are attached as Exhibit A hereto and incorporated herein  
5 by reference.

6        15. Since the registration of the Autodesk Copyrights, the Autodesk Products have  
7 been published and distributed by Autodesk or under its authority in compliance with the  
8 provisions of the Copyright Act. Autodesk has thus fully maintained the validity of the  
9 copyrights in the Autodesk Products.

16. Autodesk has never authorized Defendant to copy or reproduce the Autodesk  
Products in violation of any applicable end-user license agreement.

### **The Business and Infringing Activities of Defendant**

13        17. Autodesk is informed and believes and thereon alleges that Defendant is involved  
14 in the industrial equipment manufacturing industry and engineers, designs, manufactures,  
15 programs, retro-fits, customizes, installs, services, maintains, and repairs industrial equipment.  
16 Autodesk is informed and believes and thereon alleges that in conducting its business Defendant  
17 has engaged in the unauthorized reproduction of certain of the Autodesk Products onto computers  
18 located at its premises and that Defendant uses copies of the Autodesk Products.

18. Autodesk is informed and believes and thereon alleges that Defendant has  
purchased a single license for Autodesk's AutoCAD LT® 2000 software.

21        19. Autodesk is informed and believes and thereon alleges that, without Autodesk's  
22 authorization, Defendant has copied and reproduced certain of the Autodesk Products.

23        20. Autodesk is informed and believes and thereon alleges that Defendant has  
24 willfully, intentionally, and maliciously engaged in the acts and omissions complained of herein  
25 without regard to Autodesk's proprietary rights.

26 | //

27 | //

28 | //

## **FIRST CLAIM FOR RELIEF**

## **(Copyright Infringement)**

21. Autodesk re-alleges and incorporates herein by this reference each of the allegations contained in Paragraphs 1 through 20 above as though fully set forth.

22. Defendant's acts and omissions constitute willful, intentional, and malicious infringement of the Autodesk Copyrights in violation of the Copyright Act, 17 U.S.C. § 501.

23. Defendant's willful, intentional, and malicious copyright infringement has caused and will continue to cause Autodesk to suffer substantial injuries, loss, and damage to its proprietary and exclusive rights to the Autodesk Products and the Autodesk Copyrights and has caused and will continue to cause Autodesk to lose profits in an amount not yet ascertained.

24. Defendant's copyright infringement, and the threat of continuing infringement by Defendant, has caused and will continue to cause Autodesk to suffer repeated and irreparable injury. It would be difficult to ascertain the amount of money damages that would afford Autodesk adequate relief at law for Defendant's continuing acts and omissions complained of herein and a multiplicity of judicial proceedings would be required. Autodesk's remedy at law is not adequate to compensate Autodesk for the injuries already inflicted and further threatened by Defendant. Therefore, Autodesk respectfully requests as prayed for below that Defendant be restrained and enjoined as authorized by the Copyright Act.

## **PRAYER FOR RELIEF**

WHEREFORE, Autodesk seeks relief as follows:

1. That, upon motion, the Court issue a preliminary injunction enjoining and restraining Defendant and its agents, servants, employees, successors and assigns, and all other persons acting in concert or conspiracy with Defendant or affiliated with Defendant, from:

(a) Copying, reproducing, distributing, or using any unauthorized copies of Autodesk's copyrighted software products;

(b) Otherwise infringing any of Autodesk's copyrights;

(c) Destroying, or otherwise disposing of, or altering any copies of software or other products, materials, technologies, services, devices, components, documents, or

electronically stored data or files that relate or pertain in any way to the:

- (i) Copying, reproduction, distribution or use of any of Autodesk's software products; or
- (ii) Infringement of any of Autodesk's copyrights.

2. That the Court issue a permanent injunction making permanent the orders requested in paragraphs 1(a) and (b) of this Prayer for Relief;

3. That Autodesk be awarded for Defendant's willful, intentional, and malicious copyright infringement either: (a) actual damages in an amount to be determined at trial, together with the profits derived from Defendant's infringement of Autodesk's copyrighted software products; or (b) statutory damages for each act of infringement in an amount provided by law, as set forth in 17 U.S.C. § 504, at Autodesk's election before the entry of a final judgment;

4. That the Court issue an order upon entry of judgment in this action requiring Defendant to destroy any and all infringing copies in Defendant's possession, custody, or control of Autodesk's software products, as set forth by the Copyright Act, 17 U.S.C. § 503(b);

5. That the Court issue an order requiring Defendant to serve on Autodesk within thirty (30) days after service of an injunction a report, in writing, under oath, setting forth in detail the manner and form in which Defendant has complied with the injunction;

6. That the Court award Autodesk its reasonable attorney's fees pursuant to 17 U.S.C. §§ 505;

7. That the Court award Autodesk its costs of suit incurred herein; and

8. That the Court grant such other and further relief as it deems just and proper.
